WHAT THE EMPLOYERS SAID

“Another enjoyable event facilitated by EBP South, the year 7’s were engaged throughout and many of those who did not want to initially present found the confidence to do so. The fun session provides a great platform for the children to improve communication and leadership skills. I look forward to attending again next year.”

Heather Ford - Costain Group

“I had such a fantastic day taking part in the Who Dunit! event at Park Community School with EBP South. One of the best parts was that I genuinely didn’t know who the culprit was either, so I was just as surprised as the pupils when the mystery was finally solved! EBP South are always a pleasure to work with, and a huge ‘Thank you’ to Park Community School for being such brilliant hosts. Despite the heat, the students stayed fully engaged throughout the day and completely blew me away with their investigative skills, teamwork and enthusiasm. It was fantastic to see them thinking critically, challenging each other’s ideas and working together to crack the case.”

WHAT THE SCHOOL SAID

“The Who Dunit! Day as always was incredible. ALL of our young people were engaged and working hard trying to solve the crime. It encouraged them to go outside of their comfort zones and push themselves to the limit. They were definitely in stretch for most if not all of the day! As their first experience of a careers challenge day this helped them to understand their strengths and areas for development really well. EBP were very supportive of them and I was really pleased with the day.

It was lovely to see everyone so invested in the crime and the passion on their faces when they found the murderer was incredible!”
